

LEGEND

- ☐ Found street intersection monument in steel case
- Set 5/8"x30" rebar with yellow plastic cap marked "HANLEY ENGR PLS 1206"
- () Record Plat Distance

NARRATIVE

The purpose of this survey for Dennis Radford was to set the four corners of the vacated portion of Madison Street between Birch and Plum Streets, the Southwest corner Lot 8 and the Southeast corner Lot 3 Haskell's Addition. In addition to marking these corners the street intersection monument at Birch and Madison Streets was re-established as shown hereon. This survey was performed according to standard practices.
