

NARRATIVE

This survey was performed at request of realtor Greg Sackos for the purpose of preparing description for lot line adjustment and for marking on the ground the corners of the proposed land division. Monumentation from Survey No. 9-40-279 was recovered and additional monumentation established for display of currently proposed property lines, together with improvements now situated on the parcels. Basis of bearing conforms to that of Survey No. 9-40-279 and 9-40-69.
