NARRATIVE

The purpose of this survey for Kevin Weber is to establish additional monumentation to that previously set for Delmar Snyder in 1982, under Survey No. 9-40-188. The Snyder pins marking the NW and SW corners of Block 8 were recovered and that survey data is basis of this current work for Kevin Weber. Reference is made to the narrative accompanying the earlier survey.

Meridian based on City survey of 1970 filed Jan. 17, 1971.
