NARRATIVE

This survey for John Zukin of a parcel described in Deed 84-20-016 was for the purpose of marking on the ground the parcel boundaries. The metes and bounds description begins at the found quarter section corner between Sections 15 and 16. Highway right of way monuments were found as shown on this map of survey. Buried power service line previously described from a survey for Oregon Trail Electric Company in 1988 is also shown hereon.
