

HANLEY ENGINEERING
2043 MAIN STREET
BAKER CITY, OREGON

NARRATIVE

This survey was ordered by Steve McKay of Northeast Oregon Housing Authority for the purpose of marking on the ground the corners as shown hereon. Configuration of the parcels shown are the result of Steve McKays instructions. Controlling monumentation was recovered for the layout of Block 37. The line dividing the parcel into two parts is midway between the South line of the North half of Lot 7 and the line 13 feet South of the centerline of vacated Grace Street.

Renews June 30, 1999
