

I certify that the corner common to Sections 3, 4, 9 and 10, T. 10 S., R. 37 E., W.M. has been reestablished by James D. Hanley, county surveyor for Baker County, Oregon, in the true location for this corner.

My early reference marks for the preservation of this location during dredging operations of the 1940's were found by me in 1971 and shown on the ground to Hanley for assisting him in this corner restoration. Dredging destroyed the original corner.
