NOTE

Monuments were not set at the Southwest or Southeast corners of Lot 1 due to large concrete slab approximately 6" below existing ground. Temporary wood hubs were set to aid in fence construction.

NARRATIVE

The purpose of this survey for the City of Huntington and Baker County Library, is to mark on the ground with proper monumentation the corners of Lots 1 and 2, Block 5, Huntington Townsite. The original plat of Huntington is filed in Baker County Plat Book No. 1, Page 48, dated April 8, 1886. The plat describes four permanent corners having been established at points "A", "B", "C", and "D". All monumentation marking these points was recovered as follows and proportionate measurement methods employed to determine property corner locations:

- "A" Monument: Found 1½" Oregon State Highway Division aluminum cap monument in monument box at the intersection of Washington Street and 1st Street. See Baker County Survey No. 14-45-23.
- "B" Monument: Found 2½" x 4" steel plate at the intersection of Washington Street and 6th Street East.
- "C" Monument: Found 1" iron rod at the intersection of 6th Street East and Monroe Street.
 "D" Monument: Found 3" O.S.H.D. brass cap monument set in concrete at the intersection of 1st Street and

Per Baker County Survey No. 14-44-16, record bearing of N. 85° 30' 10" E., for Adams Street from Lincoln Street to 1st Street E. was held for the basis of bearing for this survey.
